Lee Anne White : Backyard Idea Book: Outdoor Kitchens, Sheds Storage, Fireplaces, Play Spaces, Pools Spas (Taunton Home Idea Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Backyard Idea Book: Outdoor Kitchens, Sheds Storage, Fireplaces, Play Spaces, Pools Spas (Taunton Home Idea Books):

1 of 1 people found the following review helpful. Design Ideas aboundBy G. StroutPurchased the book primarily to help brainstorm design ideas for different spaces. The book abounds with pictures and images of a variety creative, artful and visually appealing designs for a variety of climates. That is, there are pictures of nicely layed out small spaces and large spaces for Southwest (dry and hot) or Northeast (wet and cold) climates. Not as much for the Southwest as I would have preferred, but overall, no complaints. Includes useful comments, consistent color themes, dramatic colors, interesting examples of accessories. There are visually appealing spaces with minimal plants (think low maintenance) and small spaces with stacks of potted plants for you high maintenance lovers who are really into

your plants. Worked for me. 0 of 0 people found the following review helpful. goodBy Gary Krantz Jr. lots of ideas but not all ideas are for amateur DIY's 0 of 0 people found the following review helpful. Five Stars By william If want a lot of pictures, this is for you.

Much more than just lawns, the backyards of today make full use of this area's unlimited possibilities for lounging, dining, playing, and communing with nature. Outdoor kitchens make cooking a treat for the senses while backyard fireplaces create a natural gathering place for friends and family. Decks, patios and porches can be transformed into fully furnished outdoor rooms with floors, walls and ceilings. Backyard Idea Book helps readers unlock the extraordinary possibilities of this incredibly flexible area, and showcases a huge array of cutting-edge ideas for turning backyards into personal, satisfying spaces. New twists on old themes are offered, as well as some of the freshest ideas from the brightest talent in landscape design. An effective combination of stylistic concepts and hands-on advice helps readers select specific projects, while hundreds of color photos serve to inspire and delight.

About the Author Lee Anne White is the author of "Outdoor Living Idea Book, Backyard Idea Book, "and "Pool Idea Book," She is also a photographer specializing in landscape architecture and garden design. She has served as a contributing editor for "Fine Gardening" and Atlanta Magazine's "HOME," and is the recipient of several awards from the Garden Writers Association.
