**Wang Zitian : Balcony Vegetable Gardening (Chinese Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Balcony Vegetable Gardening (Chinese Edition):

Is there a moment that you have an urge to plant a few pots of vegetables in your balcony? And that you do not know where to start when you decide to plant? Do you worry that you can not harvest any fruits? Do not worry, all the problems you encounter will not be problems. The author will tell you how to plant, cultivate, and how to deal with a variety of pests and diseases ..... Plant vegetables along with the author, there are only unexpected problem, and any problems can be solved.
