Kim Inglis : Bali By Design: 25 Contemporary Houses before purchasing it in order to gage whether or not it would be worth my time, and all praised Bali By Design: 25 Contemporary Houses:

0 of 0 people found the following review helpful. Bali by Design..... A must have for Style collectors.By AnneCelestI cannot stop looking at this book. A must have for any home style collector. This book is beautifully presented and full of new and exciting concepts in design. Featuring both old, modern and a combination of the house styles offered in Bali it is full of ideas for both building and decorating as we turn from page to page. I am very happy to have added this visual extravaganza to my collection.0 of 0 people found the following review helpful. Great bookBy JulioGreat book, as I expect it.If you have interest in this type of architecture, this one is great, lots of pictures.0 of 0 people found the following review helpful. Nice book. RecommendedBy DLINNice book. Recommended

With over 500 gorgeous photographs and extensive commentary, this book is an exploration of Bali's most most stunning homes and gardens.Bali has long been a creative inspiration for the worldproviding exciting new design ideas that are emulated today in homes and hotels around the globe. The open to the elements bathroom with interior courtyard garden, the giant bamboo sofa with handwoven cushion covers, and the garden pavilion or bale with raised platform seating are all examples of concepts that originated on the island. All theseand much moremay be viewed in Bali By Design.Bali By Designs provides coverage of the latest and best design work in Bali today. Featuring 25

stunning contemporary homes, it showcases the ideas of a new generation of talented international and Indonesian designers. Each of these extraordinary houses presents new solutions for age-old challenges illustrating how stylish modern lifestyles may be achieved through clever architecture and interior design. See the selection of artful furniture and furnishings in open, airy rooms, the inclusion of natural stone in shady courtyards and swimming pools, and the plethora of handcrafted surfaces, objects and artifacts. Many of these Balinese houses explore ways of reducing power consumption for a more sustainable, low-carbon future. Others present a modern urban version of the tropical Bali interior design style that has its roots in a traditional rural environment. All, however, combine modern technology with exotic local materials Balinese sandstone, volcanic rock, recycled ulin wood for breezy indoor-outdoor living. With over 300 stunning photographs by Danish photographer Jacob Termansen and an insightful text by British author Kim Inglis, this book is a fitting testament to the originality and talent of Bali's design world.

About the Author Singapore-based British author Kim Inglis is the author of numerous books, among them *Bali Living*, *Bali Home*, *Tropical Home* and, with co-author Jacob Termansen, *Tropical Hotels*. Jacob Termansen's photography has appeared in books and magazines throughout the world.
