Book by Rossi, Douglas

From Booklist Chapter 1 presents guidelines for landscape design and tips for planning and budgeting the construction work and for selecting the best materials and tools for the job. In later chapters, there are detailed instructions on building fences, garden walls, gates, walks and paths, steps, driveways, decks, patios, overhead structures, spas and

saunas, sheds, raised planting beds, planter boxes, compost bins, and ponds and fountains. The paperback will include 61 color photographs and 59 color illustrations. Some elementary knowledge of construction will be needed to complete many of these projects. George Cohen
