Southern Living : Basic Plumbing (Southern Living (Paperback Sunset)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Basic Plumbing (Southern Living (Paperback Sunset)):

4 of 4 people found the following review helpful. A Must HaveBy A CustomerWhen I first purchased my house, I bought a plethora of home repair books. This stood out as one of the best. It offers all the information you would need for basic plumbing repairs within the house. From the bathtub to the kitchen sink to the toilet, this book covers all sorts of problems that arise in the average household. A great book for the home repair library. Invaluable.
