Dick Burrows : Basic Woodworking Techniques: 18 Joinery Projects to Sharpen Your Hand and Power Tool Skills before purchasing it in order to gage whether or not it would be worth my time, and all praised Basic Woodworking Techniques: 18 Joinery Projects to Sharpen Your Hand and Power Tool Skills:

4 of 4 people found the following review helpful. Hits the nail right on the headBy Michael HarnoisI am a newcomer to woodworking with the objective of soon building my first of several (I hope) pieces of furniture. Dick Burrows' book "Basic Woodworking Techniques" is the best place to start. Using down to earth language, personal comments and very good pictures and diagrams, the book brings you through the basic tools and joinery techniques. I strongly recommend it.

BASIC WOODWORKING TECHNIQUES
