Carl Heldmann : **Be Your Own House Contractor: Save 25% without Lifting a Hammer** before purchasing it in order to gage whether or not it would be worth my time, and all praised Be Your Own House Contractor: Save 25% without Lifting a Hammer:

0 of 0 people found the following review helpful. COMPUTER PROBLEMBY VALLEYI bought this book and was excited as we are being our own contractors and when I signed into the website that they said would help and is, I

believe, is built for this book it would not let me sign it...I would really like some help on this. This is not a easy program even to sign in.....very disappointed.1 of 1 people found the following review helpful. Easily returns 10,000% payback on purchase price if you build your own houseBy FernwoodBasic and concise but a bit dated. If you're going to build or contract your own house this book is worth every penny many times over.0 of 0 people found the following review helpful. Helped us understand more of the steps to building a ...By CustomerHelped us understand more of the steps to building a house. Made us decide a contractor earns his 10%

You dont need to depend on (or pay) a general contractor to manage your construction project. Whether youre building a new home or renovating an existing one, you can manage the job yourself. Carl Heldmann outlines how to purchase your own land, set a reasonable budget and schedule, describe your needs and vision to an architect, and hire subcontractors to do the actual building. Cut out the middleman and save as much as 25 percent on your beautiful new home!

If you are bound and determined to plunge aheadpick up a copy of this little book before you start.
