Michelle Galindo : Beach Houses: Living at the Sea before purchasing it in order to gage whether or not it would be worth my time, and all praised Beach Houses: Living at the Sea:

Beach Houses features a stunning array of the most ambitious examples of residential design at the sea. From a minimalist dwelling on a remote island to an apartment complex high aboce the sea to a luxurious holiday villa in an urban setting this, this volume brings together a collection of remarkable houses designed by well-known architectural firms as well as interesting approaches by local architects. The contemporary beach houses from across the world

featured in this volume harmoniously adapt to the surrounding landscape while embracing the seaside lifestyle with sumptuous interiors and outdoor living spaces and balancing casual-cool and opulence. They answer today's aesthetic, functional and ecological demands, while at the same time underscoring the uniqueness of the seaside location.
