Deidi Von Schaewen, Francesca Torre : Beautiful Bedrooms Around the World before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautiful Bedrooms Around the World:

0 of 1 people found the following review helpful. Five StarsBy sgroniko Beautiful, beautiful book. 0 of 2 people found the following review helpful. Not useful for meBy LadybugI was looking for something to give me ideas for decorating my bedroom. Some beautiful bedrooms, many that are great for decor in a hut.

Whether in a cave, alcove, boudoir, or four-poster bed, humans have always created sleeping places that shield us from the elements, from light and noise, and protect our defenseless bodies from the outside world. The history of the bedroom, the realm of dreams, rest, sleep, and love, is fascinating, as is the evolution of the bed and the central role it has played in social and cultural life through the ages. This book assembles hundreds of the most exceptional bedrooms from around the world New York and New Delhi, Paris and Bangkok, the Pacific islands and the African interior captured by renowned photographer and inveterate traveler Deidi von Schaewen. In the French Riviera, Pierre Cardins sixties-era bedroom features a round bed and curved walls. In Gujarat, India, nomads unfold colorful

patchwork blankets to sleep on the floor of their hut. In Shikoku, Japan, hanging paper lamps and movable screens create a serene bedroom and meditation area. Contemporary or classical, minimalist or extravagant, European or Asian each bedroom has a unique design that expresses the inhabitants' lifestyle, taste, and passions. By bringing together so many gorgeous examples in one sumptuous volume, *Beautiful Bedrooms Around the World* offers an intimate cross-cultural view of the way people live and sleep all over the globe.

About the Author Deidi von Schaewen is a well-known architectural photographer who has traveled all over the world on assignments for international magazines. She has also published numerous books on travel and design with Taschen, Flammarion, and Mitchell Beazley. Francesca Torre is a journalist who has contributed to *Vogue*, *Le Figaro Magazine*, *The World of Interiors*, *L'Art de Voyager*, and many other design and lifestyle magazines.
