Clear Englebert : Bedroom Feng Shui before purchasing it in order to gage whether or not it would be worth my time, and all praised Bedroom Feng Shui:

0 of 0 people found the following review helpful. success!!! kindaBy Alysiamade my bedroom very very conducive to sleep. it was like as soon as i entered i'd feel like passing out. that took away from the space a little for me because i had also treasured my bedroom as a personal i-just-need-my-space kind of place, which could sometimes even be a getting-ready-to-go-out sexy or lovingly-passionate place. these tips zapped those energies out.0 of 0 people found the following review helpful. Five StarsBy I luv unicornsInteresting.1 of 2 people found the following review helpful. Easy to followBy Angelina RomaliaThis was a great, cute little book. Easy to follow, easy to understand, fully of suggestions.

Most people spend more time in their bedroom than any other room in the house. And in feng shui theory, the more time spent in a room, the more influence that room has on one's life. Devoted exclusively to the bedroom, Bedroom Feng Shui provides easy-to-follow instructions for ensuring the proper placement of bedroom furniture, colors of the walls, the placement of art, and bed linens. Exploring design solutions for everything from spacious master bedrooms to small rooms with loft or foldaway beds, this book will appeal to longtime home owners as well as renters and students. Also included in the book are tips for improving the feng shui of hotel rooms, guest rooms, tents and

campsites, and rooms for people who are sick.

From the Back Cover "Hit the alarm button and wake up to a new you by following this book's advice." --Karen Rauch Carter, author of *Move Your Stuff, Change Your Life* "No detail is overlooked in creating sacred space for sleep." -- Susan Levitt, author of *Taoist Feng Shui*, *Taoist Astrology*, and *Teen Feng Shui* The first feng shui book devoted exclusively to the bedroom is now revised and expanded. This guide provides easy-to-follow instructions for:--Proper placement of furniture and art--Choosing wall colors and bed linens--Getting rid of clutter--Design solutions for small rooms, lofts, and studio apartments. About the Author Clear Englebert is a feng shui consultant and teacher and an internationally acclaimed writer on feng shui. His first book, *Feng Shui Demystified*, was originally published in 2000 by The Crossing Press and reissued in a revised edition in 2010. He is also the author of two beautiful feng shui books with full color photographs throughout: *Feng Shui for Hawaii* and *Feng Shui for Hawaii Gardens*, both from Watermark Publishing. His latest book is *Feng Shui for Retail Stores*. His books are available in four languages. He lives in Kona, Hawaii, and maintains the website fungshway.com.
