**David James : Beginners' Upholstery Techniques** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beginners' Upholstery Techniques:

1 of 1 people found the following review helpful. as like to Goodwill/Resale shop and book will come in handy ...By CookiesPlan to use this book on future endeavors, as like to Goodwill/Resale shop and book will come in handy for those special Projects!5 of 6 people found the following review helpful. A little too basic for me.By James M. CoffeyThis book would be helpful if my upholstery projects were limited to dining room chairs and footstools - a little too basic for me.

If the idea of upholstering your own furniture seems daunting, then this is the book for you! Beginners Upholstery Techniques explains everything you need to tackle those projects, from fixing a stool with a drop-in seat and refurbishing a fold-out screen to handling more complex pieces, such as armchairs and sofas.

About the Author David James is an upholstery expert and an experienced author. He is a lecturer in Furniture Restoration and Craftmanship at the Buckingham Chilterns University College and is an honorary member of the City and Guilds of London Institute and has been awarded their licentiateship. He is also a member of the Guild of Traditional Upholsterers. David James is the renowned author of six previous upholstery titles published by GMC Publications.
