He is a contributing editor at The Woodworkers Journal. One of the most respected magazines in the field, brings the voice of expert woodworkers to its readers. The publishers believe in a "community" approach to woodworking, where good design is not a secret to be guarded, but shared, and woodworkers learn from one another's mistakes and successes. John English is a contributing editor of Woodcraft Magazine and a former editor of Today's Woodworker. His work has appeared in numerous woodworking magazines, including American How-To, Fine Woodworking, and Woodshop News, and his syndicated how-to and home repair columns have appeared in newspapers across the United States. He is the author of The Building Buddy, Toys Accessories, Woodworking Essentials, and Workshop Projects. He lives in Casper, Wyoming.
