plants in Michigan.0 of 0 people found the following review helpful. Perfect for the Michigan Beginning GardnerBy Claire PerryThis book is perfect for the beginning Michigan gardner. The pictures are great and the information helpful. Please do another book with more choices of Michigan growable plants.

Be sure to have this handy little guide with you on your next trip to the garden center. It features those varieties of annuals, perennials, trees, shrubs, vines, climbers, roses, bulbs and herbs best-suited to Michigan growing conditions. Plant information is complemented by over 300 beautiful full-color photographs.
