Bob Gough, Cheryl Moore-Gough, Laura Peters : Best Garden Plants for Montana before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Garden Plants for Montana:

0 of 0 people found the following review helpful. Five StarsBy Kathy SBooks were new, as advertised. A very concise, helpful planting book for those of us living in Montana.1 of 1 people found the following review helpful. Organization, and EfficiencyBy William GarwoodThis product was just what I was looking for, My wife and I are moving to Montanasoon and I needed something extra to add to her Christmas list. This item is very well written, and

gives All the information I need!2 of 2 people found the following review helpful. best garden plants for montanaBy Esther M. FinlaysonThis is an excellent source for any gardener. The pictures are large and colorful and the info appropriate. Descriptions are concise and answer questions one would have about the particular plant.

This book is small enough to take along on your next visit to the garden center and features the best plant varieties for Montana gardens, whether annuals, perennials, trees, shrubs, vines, climbers, roses, bulbs or herbs. Each account includes information on habitat, height and spread, soil, light and water and tips about the best use of the plant in your garden.

This is a wonderfully useful reference book ...chockfull of interesting and useful information and great color photographs. --Agri-News, Billings, MTAbout the AuthorDR. BOB GOUGH, Associate Dean of Agriculture at Montana State University, has published a dozen books on gardening. A nationally popular speaker and garden writer, his columns have appeared in Montana newspapers for a decade. He has published more than 40 research articles in horticultural journals and hundreds of popular articles in publications such as Montana Magazine, Fine Gardening, National Gardening, Harrowsmith and Country Journal. His long-running radio program, Dr. Bob's Northern Gardening Tips, is heard over more than a dozen stations in Montana, Wyoming and South Dakota, and his television show by the same name is broadcast over Montana's NBC affiliate stations.CHERYL MOORE-GOUGH has been a Montana gardener for more than 20 years. She holds a master's degree in horticulture from Montana State University, where she is an adjunct instructor in horticulture. Cheryl formerly served as a plant disease diagnostician in Montana State University's Schutter Diagnostic Laboratory, has instructed and supervised the Montana Master Gardener certification program, and has published in Montana Magazine.
