Thomas Mickey, Alison Beck : Best Garden Plants for New England before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Garden Plants for New England:

Small enough to take to the garden center or nursery, this book contains all the gardening information you need to decide which plants to select and how to care for them in your regional garden

About the Author THOMAS J. MICKEY has been gardening in New England for twenty-five years. He writes a regular garden column for Seacoast Media in Portsmouth, New Hampshire and the Brockton Enterprise in Brockton, Massachusetts. Author of two books, Thomas has published several articles in his role as Professor of Communication Studies at Bridgewater State College in Bridgewater, Massachusetts. He also practices as a landscape designer and is currently enrolled at the Harvard Universitys Landscape Institute. His garden is in Rye, New Hampshire near the seacoast. ALISON BECK has been gardening since she was a child. Author of over two dozen books on gardening, she showcases her talent for practical advice and her passion for gardening. Alison has a diploma in horticultural technology as well as a degree in creative writing.
