From Sandow Media : Best of Office Architecture Design, Vol II before purchasing it in order to gage whether or not it would be worth my time, and all praised Best of Office Architecture Design, Vol II:

Best of Office Architecture Design, Vol II is a compilation of the best work done in the office sector today, featuring over 40 international projects from the highest level design firms. Diversity of projects will range from the smallest creative studios to major corporate headquarters by both industry stalwarts and start-ups.
