Tina Skinner : Best of Today's Kitchen Design before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best of Today's Kitchen Design:

You will simply be blown away by the beauty of the hundreds of kitchens represented in this book. Leading designers and manufacturers share their best work in this compendium of extraordinary designs. More than 300 full-color images afford you the chance to study details for your own kitchen design projects, from cabinetry features and appliances, to color schemes, accessories, and overall room arrangement. All styles and schools of design are represented, from contemporary to traditional, from Southwestern to Old World. This is the most comprehensive portfolio book published on kitchen design in years, and an absolute bargain for those seeking inspiration from high-end designers. There is simply no other book on the market that offers readers this opportunity to tour hundreds of

kitchens, all in one sitting.

About the Author Tina Skinner has won numerous awards as a writer and editor. She now focuses her efforts on books about home design.
