EllisThis is a big book of pictures of country cottage to me.Lots of beige with color accents. A few techniques in the back of the book but not much detail. I paid a penny for this book. It was a penny to much.....0 of 0 people found the following review helpful. Interesting good quality bookBy Online shopperThis book has lots of yummy photos and information. It addresses a lot of different decorating styles ranging from traditional to eclectic. It shows not only the designs but how they might look in a real room.

The most comprehensive and up-to-date compilation of decorative painting information to hit the market. Illustrated step-by-step format will inspire, motivate, and guide readers confidently through a variety of painting projects. Detailed instructions show how-to techniques for decorative painting on walls, floors, and furnishings. Filled with exciting new effects, techniques, and materials that will help readers turn an ordinary room into something extraordinary.
