**Jacob Biggle : Biggle Farm Library Note Cards: Cows** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Biggle Farm Library Note Cards: Cows:

Jacob and Harriet Biggles books are classics of farm literature. First published in the late nineteenth century and beloved for their practical tips and sage advice, their humane instructions and warmly amusing maxims are timeless. Now the beautiful illustrations that bring life to their books can be appreciated and shared as note cards! Available as a boxed set or in polybag clip-strips, the classic images will warm any farmer or animal-lover's heart. The insides of the

cards are blank, making them perfect for any occasion, whether youre celebrating a birthday, thanking a friend, or simply saying hello.

About the AuthorJacob Biggle was the author of a series of books known as the Biggle Farm Library published at the turn of the twentieth century.
