Editors of CPi : Black Decker Here's How...Plumbing before purchasing it in order to gauge whether or not it would be worth my time, and all praised Black Decker Here's How...Plumbing:

0 of 0 people found the following review helpful. Four Stars By Customer easy to follow without a lot of extra words to confuse you! 2 of 2 people found the following review helpful. great for do it yourselfers. By Bill Coleman I do most of my work at my house, to save money and to make sure that it is done right, these books have photos and explain everything in detail..great books. i have many of them

This book represents home plumbing at its most basic, with all the unnecessary material stripped away. Featuring the most common plumbing projects shown with clear color photos, it is a value-priced offering that appeals to today's most practical homeowners.

About the Author Based in Minneapolis, MN, the editors of Creative Publishing International have produced dozens of America's best-selling do-it-yourself books on home repair. Among their best-known best-sellers is The Complete Guide to Plumbing.
