David Griffin : Black Decker Plumbing 101: 25 Repairs Projects You Really Can Do (Black Decker 101) before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Decker Plumbing 101: 25 Repairs Projects You Really Can Do (Black Decker 101):

0 of 0 people found the following review helpful. Great book for anyoneBy 3kidsmomThis book is very comprehensive and covers almost any normal situation you can think of. The easy to follow repair instructions could save you lots money in saving you from having to hire a plumber.

Gives complete, failsafe directions for overcoming 25 of the most common plumbing problems facing homeowners.

Aimed at the homeowners with little or no do-it-yourself experience, the book assumes no previous knowledge, and eliminates all the guess-work and confusion.

About the Author David Griffin is a professional handyman, landscaper and writer.
