From Brand: Creative Publishing international : Black Decker The Complete Guide to Masonry Stonework: Includes Decorative Concrete Treatments (Black Decker Complete Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Decker The Complete Guide to Masonry Stonework: Includes Decorative Concrete Treatments (Black Decker Complete Guide):

2 of 2 people found the following review helpful. the best construction guides!By CustomerI love all the Black and Decker home construction guides and own 9 of them, including this one. I have no construction experience and

learned almost everything I needed to know to completely remodel my house from them. I definitely think they are the best out there. I really appreciate the step by step color photographs. Many other construction guides use illustrations instead which i don't find as helpful. 0 of 0 people found the following review helpful. GoodBy LGWPGood0 of 0 people found the following review helpful. Five StarsBy SKelleythank you my husband likes the book and the details for each project. TY

Modern Methods for Classic Concrete! This revision of Black Decker The Complete Guide to Home Masonry updates much of what made the original book a best-seller, but also answers the latest building trends by featuring exciting new information and projects . In addition to the tried and true project information on building with concrete, brick and block, the book features all new, state-of-the-art information on decorative concrete finishes, including acid coloring, stamping, and using cementitious paints. Another new section shows easy methods for casting concrete in forms to create countertops, garden benches, and other accessories. Also included are new projects for building retaining walls with tumbled concrete block, facing concrete slabs and steps with natural stone and ceramic tiles, and creating outdoor rock gardens.

About the Author Tom Lemmer is the editor of several best-selling home improvement books, including The Complete Photo Guide to Home Improvement and The Complete Guide to Decks.
