Maira Serra Teixeira : Bold and Bright: Chic and exuberant interior inspiration from Brazil before purchasing it in order to gage whether or not it would be worth my time, and all praised Bold and Bright: Chic and exuberant interior inspiration from Brazil:

0 of 0 people found the following review helpful. Brazilian HousesBy Katia RochaI never could imagine see so many houses, farms and apartments with a so peculiar architectural made by different and famous Brazilians architects. A great collection curated by Mara Teixeira with amazing pictures.0 of 0 people found the following review helpful. Mind blowing!By Andre FrancoGreat book! Awesome homes, with mind blowing architectures and decoration.

As yet relatively undiscovered, Brazilian interiors have a verve, sophistication, and confidence that lifts the spirits and appeals to the eye. The carefully curated homes featured in this book display all the vibrant personality of the region

and their use of exuberant color, design, and pattern is truly life enhancing. During the 1950s and 60s, with its gleaming new space-age capital Brasilia, Brazil was in the vanguard of architecture and design and its interiors still possess a generous dash of glossy modernity and mid-century chic. This sleek contemporary glamour is combined with the rustic, natural materials that are in such generous supply on the South American continent rough-hewn stone, exotic dark woods and an abundance of jungly greenery. From city perches in the urban jungle to country homes amid soaring mountains and beach houses sitting serenely above long, unspoilt beaches, Bold and Bright provides a fascinating glimpse into a selection of real-life Brazilian homes.

About the Author Maira Serra Teixeira is the Sales and Marketing director at So Paulo's Livraria Freebook, a specialist bookshop devoted entirely to art and design and frequented by the city's interior designers, bloggers, and stylists.
