Noel Kingsbury : Bold Plants: Using Architectural and Exotic Plants to Create Visual Impact in the Garden
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bold Plants: Using Architectural and Exotic Plants to Create Visual Impact in the Garden:

Bold plants are those whose form, whether natural or contrived, ensures a dramatic presence in any planting scheme. They leap out from among the rest by virtue of a striking overall form or the shape of individual leaves. Explores different approaches and situations for using bold plants from dry or shady areas or creating an exotic look.
