3 of 3 people found the following review helpful. Five StarsBy Timothy L JacobsVery clear. I have more than 50 bonsais, and I still use this book as a guide.14 of 14 people found the following review helpful. Great book!By

Jch4everThis book is awesome. It has a lot of useful information without all the "filler" that most other books come with. It comes with great information on the many varieties of all bonsai!0 of 0 people found the following review helpful. Five StarsBy Customerarrived in perfect condition

Tailored to meet the needs of the first time bonsai owner, this book is an extensive directory of every major bonsai type. Bonsai Basics explains in detail all the techniques needed to keep a bonsai alive and in good shape. Clear text and step-by-step illustrations ensure that even the most nervous newcomer can approach looking after bonsai with confidence. Filled with over 120 specially commissioned photographs and illustrations, the New Pyramid Bonsai Basics is an extensive directory of both indoor and outdoor trees and their characteristics.

About the Author Colin Lewis is a respected bonsai expert who has studied bonsai in Japan, has written a number of books including Bonsai Survival Manual and Practical Bonsai and regularly demonstrates bonsai techniques.
