3 of 3 people found the following review helpful. Five StarsBy Timothy L JacobsVery clear. I have more than 50 bonsais, and I still use this book as a guide.14 of 14 people found the following review helpful. Great book!By Jch4everThis book is awesome. It has a lot of useful information without all the "filler" that most other books come with. It comes with great information on the many variaties of all bonsai!0 of 0 people found the following review helpful. Five StarsBy Customerarrived in perfect condition
