**Peter Chan : Bonsai Secrets** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bonsai Secrets:

1 of 1 people found the following review helpful. BONSAI!!!By MichaelI am intrested in creating Bonsai trees and had found this book and others on the subject, at my local library. I really liked it and wanted to purchase a copy for myself so I could use it at my leisure. had a good price and I've always trusted their service. I highly recomend this book not just for the knowledge it packs but also for the wonderful photos that will intice your imagination in creating your own Bonsai. So....BONSAI!!!0 of 0 people found the following review helpful. Five StarsBy stratos72very good book0 of 0 people found the following review helpful. Four StarsBy Pedro J.
