Peter CHAN : Bonsai: the art of growing and keeping miniature trees before purchasing it in order to gage whether or not it would be worth my time, and all praised Bonsai: the art of growing and keeping miniature trees:

1 of 1 people found the following review helpful. The book covers all the basics of bonsai care and ...By CustomerThe book covers all the basics of bonsai care and training. Many of the trees in the illustrations are more penjing than bonsai. You'll get a look at the Chinese penjing style, where bonsai originated, as well as the more refined Japanese bonsai styles.1 of 1 people found the following review helpful. great book will fit into my bonsai library and bonsai ...By robert gardnergreat book will fit into my bonsai library and bonsai plants with great expectations. book arrived in good shape as described.thanks,robert gardner0 of 0 people found the following review helpful. more style than substance.By W. P. WellsNot as helpful as it is advertised. Beautiful photos and history, not so much practical advice.

For everyone from beginners to masters, the one essential book to growing, grooming, and caring for your bonsai tree.Bonsai is the ancient craft of carefully regulating the growth and shape of trees in order to produce miniature versions of mature trees. Dating back over one thousand years to ancient Japan, bonsai trees are some of the most beautiful and meticulously looked-after plants in the world, and in recent years bonsai have exploded in popularity in the Western world.Bonsai, written by world-renowned bonsai expert Peter Chan, is the essential compendium for anyone interested in trying out bonsai for the first time or adding more bonsai to their existing collections, detailing everything you need to know about buying and maintaining a magnificent bonsai tree, including: How to pick the right

bonsai for you Tools and supplies to ensure your bonsai prospers How to shape your bonsai into different styles How different pots affect the growth of your bonsai And much more! With hundreds of color photographs and easy-to-read directions and explanations on a variety of subjects, *Bonsai* is the only book you'll ever need to successfully start and maintain your own beautiful bonsai tree collection.
