**From Konemann : Botanica: The Illustrated A-Z of Over 10,000 Garden Plants and How to Cultivate Them** before purchasing it in order to gage whether or not it would be worth my time, and all praised Botanica: The Illustrated A-Z of Over 10,000 Garden Plants and How to Cultivate Them:

3 of 3 people found the following review helpful. MassiveBy RoopoSpecially liked that there is also an index of the english common names. After one figures out one's local hardiness zones, I see no reason why this book would not be a fine reference book worldwide among gardeners and hobbyists. I don't know enough to give this 5/5.

Book A-Z Garden Plants and how to cultivate them.
