**Michael H. Brown : Brown;S Book of Carburetors** before purchasing it in order to gage whether or not it would be worth my time, and all praised Brown;S Book of Carburetors:

1 of 1 people found the following review helpful. This is a great book to read about the idea of the carburetorBy justin owensbyThis is a great book to read about the idea of the carburetor.This book has made a great edition to my book collection.if you are looking for a carburetor book as a first timer or have been working all your life on carburetors you will still learn something new.don't pass this one up.I'm glad I didn't
