Very easy to understand. 0 of 0 people found the following review helpful. For the California Gardener By KMHI am very happy to have purchased this book for my gardening collection. I have recommended it to friends and gardeners in Southern California. It helps avoid mistakes in making additions to one's garden. 0 of 0 people found the following review helpful. Five Stars By Robert Sowards Great book

Gardening is now the favorite leisure pastime in America. Homeowners are realizing the health benefits derived from gardening and the increase in their home's property value. This book contains easy-to-use advice on the top landscape plant choices. It also recommends specific varieties, and provides advice on how to plant, how to grow and how to care for the best plants.

From the Publisher Bruce Asakawa, *The Voice of California Gardening* for 25 years, reaches 1.2 million listeners twice a week across 18 California markets! Now, he has written a gardening book exclusively for ALL California gardeners, featuring 165 premium plants for the Golden State. Each plant entry has a large corresponding color photo. Its 423 pages cover annuals, perennials, berries, trees, houseplants, groundcovers, roses and more. Bruce and Sharon also offer valuable plant-by-plant advice on planting, fertilizing, care and pest control and share recommended cultivars for personalizing your California landscape. *Good Growing. It starts here!*

From the Author We have accumulated so much information over the years that we wanted to document it. In our book, we share hands-on techniques from our worldwide experiences to help the gardens of both new and native Californians thrive. ~Bruce Asakawa

About the Author Bruce Asakawa has been active in the green industry, landscape design, and gardening communication for most of his life. He graduated from Cal Poly, Pomona, with a major in landscape architecture, then went on to develop and teach horticulture classes with the University of California Extension Program. During the early nineties, Bruce was asked to host the West Coast Garden Line, the popular live call-in garden radio show that aired throughout California. Several years ago, the program became Garden Compass with co-hosts Sharon Asakawa and John Bagnasco.
