Loves these littke bookletsBy Karen M SagelGreat little pamphlet to help you learn where to start researching how to build a pond.0 of 0 people found the following review helpful. Good little helper book.By Gregg CThis is just for some help in what you might want for a large game pond and is just what

I was looking for but for people with no background in anything like this you are going to need to get some help from someone who knows what to do and certain laws and codes for your area. 1 of 1 people found the following review helpful. Great if you want to put an old fashioned pond ...By Dorothy Jave TimmermonA bit more pond than I wanted. Great if you want to put an old fashioned pond on large piece of property. Not the backyard pond I was going for.
