Steve Cory, Home Improvement, Kitchen, How-To, Diane Slavik : Building Outdoor Kitchens for Every Budget (Home Improvement) before purchasing it in order to gage whether or not it would be worth my time, and all praised Building Outdoor Kitchens for Every Budget (Home Improvement):

3 of 4 people found the following review helpful. Was hoping to get more detailed instructions on how to ...By Joe WolzWas hoping to get more detailed instructions on how to build. The book has mostly pics that can be found on pintrest.0 of 1 people found the following review helpful. Five StarsBy CustomerGreat book like new!2 of 2 people found the following review helpful. It's okBy amandaBook is ok. Not real informative for the actual build process. But better than nothing.

Incorporating lots of design ideas, plenty of dream kitchens for inspiration, step-by-step instruction, and clear how-to photographs, Building Outdoor Kitchens for Every Budget shows budget-conscious homeowners how they can bring

attractive and functional outdoor kitchens within their reach. The book includes more than 300 photographs and plenty of DIY-friendly projects, which look and act like expensive professional projects at a fraction of the price. It shows readers how to build lightweight "masonry" counters using steel studs and concrete backboard and offers alternatives to high-end appliances to save money. Also included are accessories and amenities to affordably customize an outdoor kitchen: fire pits, a variety of adobe/clay ovens, pergolas, awnings, TV and stereo equipment, mosquito abatement, misters and heaters, fireplaces, pizza ovens, and standup "churrasco" grills.

From the Back Cover An outdoor kitchen is within your reach! An outdoor kitchen is within your reach! This book is all about enabling you to achieve a beautiful and durable outdoor kitchen for a range of budgets from simple to spectacular, whether you do it yourself or hire a pro. The latest designs and the most popular finish materials Grills, ovens, fire pits, storage, counters, refrigerators, sinks, side burners, pergolas, awnings, and more Highly accessible DIY instructions to carefully guide you through all aspects of construction even cutting and installing a granite countertop How to save money, even if you have yours installed by a pro, by choosing materials and appliances that really perform without breaking the bank "About the Author Steve Cory is a builder, remodeler, and author. He has written and edited dozens of home improvement books for major publishers, including Affordable Kitchen Upgrades, Affordable Bathroom Upgrades, Deck Designs, 3rd Edition, and Ultimate Guide: Porches.
