Kevin McGuire : Building Outdoor Play Structures before purchasing it in order to gage whether or not it would be worth my time, and all praised Building Outdoor Play Structures:

0 of 0 people found the following review helpful. Good for the priceBy supermomLooking to build a playground and this book was cheap. I got one good idea out of it. I was wishing there was a little more in it.0 of 0 people found the following review helpful. ok productBy Nickie H.the book has some good ideas but is a bit outdated for todays kids wants and needs for play structures

Turn your backyard into a marvelous playland. With 30 play structures to choose from, all designed for the weekend woodworker and ranging from child-size gardening tools to an heirloom-quality Cozy Cottage playhouse, complete with porch, window boxes, mailbox, and a porch swing, you are sure to find projects that match your child's personality and the size of your yard. Active kids will love the gigantic Tarzanium, a two-story jungle-gym that includes a sandbox, a deck, a fabric sunshade; and a rope wall to climb, as well as planting boxes for growing miniature gardens and ringtoss and hopscotch games, are great for quiet play time.
