Tim A Hicks : Building Your Retaining Wall: A Complete Step-by-Step Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Building Your Retaining Wall: A Complete Step-by-Step Guide:

0 of 2 people found the following review helpful. FREE BOOK!By WAREzDOGSo whats not to love about a free kindle book? Good tips and well worth the price of no money!0 of 3 people found the following review helpful. One StarBy michael hessCan get the same information off the internet for free.0 of 11 people found the following review helpful. memoriesBy Mark redshawI don't remember this boook? Movie???

Building your own retaining wall may seem like a daunting task, but this book breaks the entire process down into manageable pieces and guides you step-by-step throughout the entire process. I cover everything from the initial planning, to getting supplies, digging the trenches, and laying the stones. I have included a full materials list, explanations, troubleshooting tips, and over 50 full-color photos. If you are planning to build your own retaining wall, I hope that as you read this book and view the photos, it will help you as you begin the journey of Building Your Retaining Wall.

About the Author I'm a stay at home dad and who home-schools our two daughters. While this keeps me rather busy, I do enjoy writing, landscaping, and cooking. In addition to this book, I have also published a ghost story, "The Farm House." This book is currently available through [Amazon](#) and [Kindle](#).
