Bunny Williams : Bunny Williams On Garden Style before purchasing it in order to gage whether or not it would be worth my time, and all praised Bunny Williams On Garden Style:

6 of 6 people found the following review helpful. Fantastic book that provides lots of food for thought on ...By Jessica SaturleyFantastic book that provides lots of food for thought on the garden design front. Introduces a "vocabulary" of garden style that is very helpful when thinking about your own garden, or enjoying other gardens!3 of 3 people found the following review helpful. SPECTACULAR BUNNY WILLIAMS!!!By mymimisthebestJust when one thinks there cannot possibly be another classic garden tome born, Bunny Williams produces a spectacular volume worthy of its place on the 'Classic Gardening' shelf.0 of 0 people found the following review helpful. Five StarsBy AnnieOBeautifully done, interesting text as well.

First published in 1998, *On Garden Style* established Bunny Williams as a reputable expert on gardens. In *Bunny Williams on Garden Style*, Williams visits impeccably designed gardens around the world, shedding light on the key components that make a garden so appealing and idyllic. For Williams, gardens offer an escape, and she imparts vital information on how to envision your garden and design a space that translates into a lush sanctuary reflecting your taste and style. Once youve imagined your garden, Williams offers advice for bringing it to fruitionthe garden structure, furnishing the space, and establishing an aesthetic. The book also includes plant lists, a reading list, and more. Filled with new photography of spectacular gardens, this latest volume is both a wonderful inspiration and a

practical guide to gardening from one of the worlds most renowned design experts. Also available from Bunny Williams: *An Affair with a House* and *A House by the Sea*.

About the Author Bunny Williams is an interior designer, a home furnishings and accessories brand, and co-founder of the company Treillage.
