Bill Holm : Cabins of Minnesota (Minnesota Byways) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cabins of Minnesota (Minnesota Byways):

1 of 1 people found the following review helpful. Not what I needed By Pat Dillow Good book, but not what I wanted. I had in mind more of a coffee table book with lots of photography. 2 of 2 people found the following review helpful. Wonderful Book By Customer I really love this book. Great pictures and full of fun info! I cannot wait to go on vacation this summer and visit some of the places mentioned. We actually stayed at the Pine Grove Cabins pictured in the book last year (2012) and it was wonderful. Looks just like the picture in the book and the hosts were fantastic! We stayed with them twice last year and cannot wait to go back this year. 0 of 0 people found the following review helpful. Five Stars By Kimberly Artmann Have several of these books, they are all great

The lake cabin. Early mornings on the sleeping porch, lunches on the dock, late-night cleanings in the fish house. But Minnesota's seasonal getaways aren't limited to its bountiful lakes: vacationers trek to hideaways in the woods, to ice shacks along the Mississippi River; even out to cottages beside the highways, relics from the days when farmers rented

vacation places along cornfields and cow pastures. Popular photographer Doug Ohman and renowned writer and poet Bill Holm highlight the state's unique and treasured cabins: a vintage Fredenberg Lake compound near Duluth; the celebrated mom-and-pop Fairyland Cabins of Detroit Lakes; a cabin situated on top of a pontoon in Rose Lake. Holm's eclectic prose combines stories of the ancient and new and illuminates the rewards of the cabin life: "the pleasures of fishing, daydreaming, sunset watching and star counting, the leisure to take stock of one's life without the surrounding noise of the new wired century. In a cabin retreat," he writes, "pleasure overcomes duty for a little while."

About the Author Bill Holm is the author of several books of essays and poetry and teaches at Southwest State University in Marshall, Minnesota.
