**The New York Botanical Garden : Cacti and Succulents: New York Botanical Garden Large and Small Journals** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cacti and Succulents: New York Botanical Garden Large and Small Journals:

Two beautifully designed blank (one graph and one dotted paper) notebooks—one large hardcover for journaling and doodling, one small paperback for note-taking on the go, both covered in brilliant botanical illustrations of cacti and succulents for lovers of botanical art, gardeners, and cacti and succulents collectors.

About the Author The New York Botanical Garden is an iconic living museum founded in 1891. It is a National Historic Landmark, with 250-acres supporting over one million living plants. Each year more than one million visitors

walk the grounds to enjoy the remarkable diversity of tropical, temperate, and desert flora and to attend beloved annual events such as The Holiday Train Show, and The Orchid Show.
