Ulf Hard af Segerstad : Carl Larsson's Home before purchasing it in order to gage whether or not it would be worth my time, and all praised Carl Larsson's Home:

2 of 2 people found the following review helpful. Fine, older photos of the Larsson home.By OsaggieIf you love Larsson, this will be an added treat for your library.1 of 1 people found the following review helpful. Love Carl Larsson's homeBy VHLove Carl Larsson's home, have done since I was a teenager its a lovely book and my second copy--I loaned one years ago and it never got returned. Lovely book.1 of 1 people found the following review helpful. A house that was obviously a well loved home.By Brenda H.I felt as if I had been invited into Carl Larsson's home. It was quaint, cozy and welcoming. Loved it!

With nearly 100 full-color photographs, this delightful book captures the friendly and generous spirit of Swedish artist and illustrator Carl Larsson's home, Lilla Hyttns. A gift from his father-in-law in the late 1800's, the two-room log house was transformed by Larsson and his wife Karin, into a homestead of bright and intimate rooms. At a time when the industrial revolution was already having its effect on the style of life, the Larssons' careful artistry and the genuine handicraft trades of the local craftsmen produced a much admired and respected dwelling. The impulsive and inventive artist loved the homestead and Larsson fans will recognize manhy of the rooms in these photographs of "Little Hyttns" from his famous paintings and illustrations. With its liberating simplicity and charming detail, Carl Larsson's home has become the quintessential example of Swedish interior design.
