This is the place where my Mother grew up and spend her vacations from school "El Abra" was our playground and belonged to the family for generations. Thank you so very much for the pleasure and the memories and tears.. your book has brought to all of us. Que viva Colombia! Miryam 0 of 0 people found the following review helpful. Four Stars By Customer good service, product as described in the webpage 0 of 0 people found the following review helpful. Casa de Hacienda: Architecture in the Colombian Countryside By New Yorker What can I say, this book is amazing. I love the history of these country homes and the beautiful photos. I hope to visit Colombia very soon.

Traveling the country in search of the most significant aspects of Colombia's colonial ranch houses, this book brings to

life the convergence of decisive elements of the country's past and tradition. These ranch houses were the scene of struggles, epiphanies, and downfalls in the country's history all evoked through the point of view of a historian specializing in architecture.
