Glynn E. Woods and Roy B. Baguley : CASTI Guidebook to ASME B31.3 Process Piping - 5th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised CASTI Guidebook to ASME B31.3 Process Piping - 5th Edition:

This newly updated Guidebook describes new additions and revisions to the Code rules while offering insight into the reasoning behind these changes in the Code. It provides comprehensive coverage of B31.3 Code requirements for design, analysis, fabrication, assembly, erection, inspection, examination, and testing of process piping. The detailed information on Code requirements provides clarity, even to the experienced Code user...
