Tina Skinner : Cedar Style: A Look at Lovely Log Homes (Schiffer Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cedar Style: A Look at Lovely Log Homes (Schiffer Books):

Take a tour of high-end log homes in this inspiring compendium. Photographer Roger Wade focuses on the finer features of 25 very fine log homes found throughout the United States. More than 200 full-color photographs and detailed floor plans act as a guide in negotiating these exquisitely designed, expansive residences. Charming as only a wooden home can be, these images will inspire you to plan and design a future log house of your own.

About the Author Roger Wade is the nations leading professional photographer of log and timber frame homes. This is his third collaborative effort with professional writer and editor Tina Skinner.
