**Luke Graham : Chalk Painting Furniture Made Easy: The Ultimate User Guide to Become An Expert In Just An Hour** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chalk Painting Furniture Made Easy: The Ultimate User Guide to Become An Expert In Just An Hour:

3 of 3 people found the following review helpful. A total disappointment and waste of moneyBy CollCampA total

disappointment and waste of money. It's barely a 20-page booklet with very little explanation and NO pictures to illustrate the process. I can't believe I spent money on this. 1 of 1 people found the following review helpful. Nothing new here! By Judy Lipscomb Anybody who has watched a couple of YouTube clips on chalk painting could have written this book! No new insights, thoughts, or suggestions what-so-ever! 1 of 1 people found the following review helpful. Not at all like I expected By Stephanie Arnold I really did not expect this book to be so thin and basic. Not at all like I expected.

**Chalk Painting Furniture Made Easy The Ultimate User Guide to Become An Expert In Just An Hour** Chalk painting is a popular technique for giving old furniture a vintage, distressed or antique look. In this book, you will learn what supplies you need to get started, as well as some of the most popular chalk painting techniques. You will learn tricks for distressing furniture, blending colors, and protecting the final product with wax or varnish. You will even learn how to save money by mixing up your own homemade chalk paint. Finally, you will get a troubleshooting guide to help you solve any problems that come up with your project. Before you know it, you'll be repurposing tired old furniture into beautiful pieces that will look beautiful in any home.
