From Whittet Books Ltd : Champion Trees of Britain Ireland before purchasing it in order to gage whether or not it would be worth my time, and all praised Champion Trees of Britain Ireland:

What kinds of trees grow where, how long do they live, and how large do they grow? Champion Trees of Britain and Ireland answers these questions and more, surveying the finest examples of every kind of tree growing in the British Isles, from ancient yews to towering sequoias.

About the AuthorOwen Johnson has measured over 60,000 trees in his lifetime. As registrar to The Tree Register, he maintains the definitive database of trees in Britain and is the author of The Collins Tree Guide, among other books.
