**From Jordan Jenifer : Charles Faudree Country French Legacy** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Charles Faudree Country French Legacy:

This book is an homage to his legacy and highlights a number of particular homes and rooms that he designed. There are comments and anecdotes throughout from co-workers, friends and clients. The book is substantial and filled with many wonderful photographs which perfectly illustrate Charles Faudree's amazing work. I linger over each picture and description. This is not a look-at-it-once type of design book as I find myself referring back repeatedly. I bought this for myself, but it would make a great gift as well. 2 of 2 people found the following review helpful. Too many old photos. By B.J. I love Charles Faudree so took a chance that there would be something inspiring that I had not seen in another book. There really wasn't much that is new, but the photos are beautiful none the less. Also maybe there's something special in seeing Charles's last few jobs. 0 of 0 people found the following review helpful. Five Stars By patperect

The newest and best of a beloved decorator in country French style Celebrating the lifework of the much-loved icon of Country French design. New photography features Faudrees most recent decorating projects, plus some of the best photos from his previous books make this a cherished volume in honor and memory of a star among interior decorators. Jennifer Jordan has photographed Charles Faudrees work since his earliest days of notoriety in Traditional Homes 1987 Christmas issue. She has exclusively shot ten design books, including Charles Faudrees French Country Signature, Charles Faudrees Country French Living, Charles Faudree Interiors, and Charles Faudree Home. She lives in Tulsa, Oklahoma.

From the Inside Flap Celebrating the lifework of the much-loved icon of Country French design, Jenifer Jordan has created new photography of some of Charles Faudrees most recent decorating projects. Along with the new, she has selected favorite images from his previous books, to make this a cherished volume in honor of a star among interior designers. Charles personality rings true in the poignant stories and recollections dispersed throughout these pages. His clients remember him fondly, with tales that are sometimes endearing and sometimes humorous, but always in praise of a man whose talents have enriched so many lives. The pages are also enriched with Charles philosophy about Country French design and punctuated with memorable sayings in his own words. Here is his rich legacy, in exquisite photographs and endearing words. Jenifer Jordan has been an architectural/ interior photographer for over thirty years. Her beautiful photography has been featured in many design magazines and design books. She has exclusively shot eleven design books five with Charles Faudree, including Charles Faudree Home, Charles Faudree Interiors, Charles Faudree Details, Charles Faudrees French Country Signature, and Charles Faudrees Country French Living. Her other books include Horses Homes, which she photographed and wrote, Modern Country by Nancy E. Ingram, and Been There Shot That with Hilary Rose. She lives in Tulsa, Oklahoma, with her adorable rescue King Charles cavalier spaniels, Parker and Lily. About the Author Jenifer Jordan's work has been featured in Traditional Home, Renovation Style, House Beautiful, Southern Accents and Veranda, as well as in all of Faudree's previous books. Excerpt. I have had the privilege of photographing five of Charles Faudrees Country French design books; it is with love and honor that I present his sixth book, Charles Faudree Country French Legacy. I met Charles in 1987 when I was hired to photograph his home for a Christmas issue for Traditional Home magazine with Nancy Ingram, regional field editor. I remember it vividly. It was a hot, humid October day in Oklahoma when I walked into the most beautiful, opulent Christmas setting I had ever seen. It was a memorable surprise, stunning! There were bows, ornaments, wreaths, decorated trees and flowers making it a Christmas wonderland like only Charles could do with style. Fast forward to 2002 and many fun photography shoots of his work with Charles and Nancy for national interior design magazines and books. The three of us thought we should do our own design book together. I crudely prepared a book prototype; I literally cut and pasted images and faux text onto pages into a small book. The one prototype acquired some tattered pages and a few rejections before we found Gibbs Smith publisher. We completed what we set out to do, our first design book, Charles Faudrees French Country Signature. The book was well received and Charles created quite the following across the country. Over the next few years we added four more volumes to our library, including Charles Faudrees Country French Living, Charles Faudree Interiors, Charles Faudree Details and Charles Faudree Home.
