John Harold Haynes, Peter Strasman : Chevrolet Vega Owners Workshop Manual, 1970-1977 before purchasing it in order to gage whether or not it would be worth my time, and all praised Chevrolet Vega Owners Workshop Manual, 1970-1977:

0 of 0 people found the following review helpful. Must have for Chevy Vega owners.By Vega NomadAnother addition to the factory service manuals. Adds a lot of info and has great pictures. I have two. One I keep on the bookshelf for casual reading and the other is in the garage covered in grease. If you have a Vega and do your own work, get this book.
