Chris lives near me in Arkansas and opens his home several times a year for tours and lunch. He's a wonderful host and loads of fun to be around. His book is as fun as he is so buy it and visit his shop in Little Rock to meet him and have him sign it. Bought several of the books on (cheaper) and gave as gifts to friends.0 of 0 people found the following review helpful. not what I expectedBy TanziVery nice book for decorating and lots of x-mas ideas. But I was looking more for garden and outside ideas. IT does have lots of pretty pictures and stuff you can do your front entrance. But a lot of the ideas are over the top and the average person would not want or be able to do them.1 of 1 people found the following review helpful. Wonderful book!!!!By mapFantastic book!!! Great pictures, good directions. Easy to understand and complete projects .I would recommend this book to anyone interested in home

decoration.

Nationally known home and garden designer Chris H. Olsen shares his visions of unique and stylish ideas for the home and garden in this book focusing on decor for the five seasons: spring, summer, autumn, winter, and holiday. Starting at the front door, he goes throughout the house and outdoors presenting breathtaking examples of seasonal and holiday decor. His guidance and expert advice show how simple the process can be when homeowners get just a little push toward developing their ability to dream and create beautiful things. Encouraging everyone to live, enjoy, and be creative, Chris demonstrates how to transform a home with impressive arrangements of plants and other accents at the entrance, in the living room, dining room and bedroom, as well as out on the patio and lawn. His easy and affordable exploration of textures and colors is just the inspiration that every homeowner needs to find their own unique style.

About the Author Chris H. Olsen is a nationally known home and garden guru, designer, author, TV personality, and public speaker. In his book, Chris shares his landscape and gardening knowledge along with his unique flair for home decor and design. He is also a member of the Association of Professional Landscape Designers.
