**(author) Lew Nichols (author) Annie Proulx : Cider: Making, Using Enjoying Sweet Hard Cider (Paperback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cider: Making, Using Enjoying Sweet Hard Cider (Paperback) - Common:

Annie Proulx, the novelist, first wrote this guide to making cider in 1980. It is a comprehensive, illustrated overview of the process and includes recipes for using the finished product in cooking. Proulx and Lew Nichols also discuss apple presses, glass bottles versus wooden barrels and storage.
