**Bill Bradshaw : Cider: The practical guide to growing apples and making cider (Enthusiasts' Manual)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cider: The practical guide to growing apples and making cider (Enthusiasts' Manual):

In recent years there has been a resurgence of interest in cider around the world, with breweries having invested millions to meet growing demand. At the same time many people now want to try to make their own cider, and the Enthusiasts' Manual: Cider is here to help.
