Henrietta Spencer-Churchill : Classic English Interiors before purchasing it in order to gage whether or not it would be worth my time, and all praised Classic English Interiors:

Classic English Interiors is a sumptuous showcase for a distinctive style that is now as popular in Manhattan as in the country houses of England. Written by The Lady Henrietta Spencer-Churchill, the book is divided into two parts. The first half reveals the private and the public side of Blenheim Palace, her ancestral home, explores the country houses of Oxfordshire from which Lady Henrietta drew much of her inspiration and features selections from Woodstock Designs portfolio. Her fascinating text reveals life behind the scenes in some of Britain's most beautiful country houses. Hundreds of specially commissioned photographs show she translated the confident sweep of classic English style to

produce homes of great elegance; comfortable family spaces; fresh, simple schemes and smart, stylish ones.
